MICHAEL AND CATHALAIN CARTER #11209

While Michael served as an intern in Chiba, Japan, God revealed to him the need for the gospel in this nation where many have never heard the message before. His heart for the Japanese led to a desire to do long-term ministry in Japan. In order to be better equipped, he returned to the U.S. where he earned master's degrees in biblical studies and teaching English as a second language.

For two years Cathalain's family was stationed in Japan. She was exposed to the Japanese culture by living off base and attending a Japanese school. Although Cathalain was young, this experience shaped her love for other cultures. After graduating

from Florida Southern College she taught high school in Virginia.

Michael and Cathalain met in Virginia and were married in May 2007. Together they share a heart for the Japanese and have been called to serve the Lord on the church-planting team in Nagoya, Japan. Michael will teach English classes as well as lead evangelistic Bible studies. Cathalain will teach at the International Christian Academy. Both will be involved in ministry and discipleship to college students. Please pray that God will bless the team's work in Nagoya and pray for many to know Him through the mission's work.
